### Evan Lanier & the Bluegrass Express

July 19 • 7PM • Atherton Amphitheater

Evan's band was formed in 2005, when he was 9 years of age. Evan started playing the guitar, and when the passing of Red Spurlock in 2012, he took over playing the banjo full time. Now he plays all the instruments in the band when needed. Members of the band now are: Evan Lanier, Larry "bubba" Griffith, Noel Bolen, Bob Hamblin, and Tony Hale. Evan's lifelong history started at six years of age, chopping on the mandolin, playing along with grandpa. Quickly progressed to playing the guitar, the bass, banjo, fiddle and some on the dobro. At eight years old he stepped on stage for the first time. Noel Bolen, aka Grandpa, has been a great part of several local bands, playing guitar and playing the bass, for the Badlanders, Clearcreek and Friends in Bluegrass. Bob Hamblin, has been in the band since the beginning, singing lead and tenor, and playing the mandolin. Bob had a band called the "Dixie Ryders" that he formed 40 years ago, and they had to disband because of illness. Larry Griffith has been playing the doghouse bass in a couple bluegrass bands, he also plays the guitar and sings lead and tenor. Bubba played with the Bluegrass Statesmen and Buckeye Ridge, also plays with Tony Hale. Tony Hale the newest member of the group, plays guitar and sings lead, baritone, and tenor, and has a band of his own called Tony Hale and Blackwater. Tony played with Paul Blevins, and also the Bluegrass favorites. Evan spent one year on the road with Larry Sparks and he enjoyed that very much, he had the honor of being on the stage with, Ralph Stanley II, Goldwing Express, Kody Norris, James King Band, Goldwing Express, and many others. Together they form a tight group, having fun entertaining, with a mix of traditional Bluegrass, Gospel, some Country, or whatever the people want to hear.

## Razzamatazz & Jazz

**June 21 • 7PM • Atherton Amphitheater**

Razzamatazz & Jazz is a group of talented musicians dedicated to preserving a unique style of American music...Dixieland Jazz. Their energetic performance brings a spirit of celebration to any festivity. Their musical impersonations will put a smile on your face (close your eyes and you'll swear it's Louis Armstrong...in person!) and their brisk rhythms will start your toes a tappin'. This troupe of energetic performers has been entertaining audiences since 1978. One of their earliest appearances was performing on a weekly basis at Schmidt's Sausage Haus in Columbus, Ohio, and they were so popular that they were held over for 9 years! They have recorded five albums and filmed a 30-minute program about the band and their music for a Columbus television station.
